

Hi There,

My self "Nikunj Kumar Adhaduk" and I recently received Canadian citizenship so please find my attached Canadian passport (Passport#: AL184918) and now my son is 13 months old, and my wife "Smitaben Kathiria" is thinking about going back to work. So, we are planning to have my parents here in December and that would be helpful for us while we both will be working, and my parents are fully vaccinated.

I look forward to having my parents here in Canada so we can spend time together. And please feel free to contact me if you have any further questions or need more information and you can reach me at +1-289-698-1655 or nickadhaduk@gmail.com.

Again, thank you very much for looking into this.

Thanks,

Regards,

Nikunj Kumar Adhaduk
